## Combined Supply Prices

Wessex Water has a single water resource zone. The table below illustrates Wessex Water's current and forecast resource position under peak conditions before any non-committed investment is made.

Year	Resource position under peak conditions* (Ml/day)
2025-26	38
2026-27	39
2027-28	39
2028-29	40
2029-30	42
2030-31	43
2031-32	44
2032-33	45
2033-34	46
2034-35	47
2035-36	48
2036-37	49
2037-38	50
2038-39	51
2039-40	52
2040-41	52
2041-42	53
2042-43	53
2043-44	54
2044-45	54

\*in water resource zones without the introduction of the licensee's water or any investment by Wessex Water that is not already under construction and over 50% committed.

This data originates from our 2019 water resource management plan (WRMP). We will update this table to reflect the updated position in our next WRMP (known as WRMP24) once this is finalised and published. We expect to publish this later in autumn 2024.

## Indicative Wholesale Access Prices

### Indicative Wholesale Charge information

Use (MI per annum)	Price base	Unit	2025-26	2026-27	2027-28	2028-29	2029-30
5	Nominal	£ per m <sup>3</sup>	2.5968	2.4714	2.4889	2.5182	2.4627
25	Nominal	£ per m <sup>3</sup>	2.5029	2.3820	2.3989	2.4271	2.3736
50	Nominal	£ per m <sup>3</sup>	2.3150	2.2032	2.2188	2.2450	2.1955
500	Nominal	£ per m <sup>3</sup>	1.6468	1.5673	1.5784	1.5969	1.5617

### Indicative Combined Supply Access Price information

Use (MI per annum)	Price base	Unit	2025-26	2026-27	2027-28	2028-29	2029-30
5	Nominal	£ per m <sup>3</sup>	2.4695	2.3503	2.3669	2.3948	2.3420
25	Nominal	£ per m <sup>3</sup>	2.3758	2.2610	2.2770	2.3038	2.2531
50	Nominal	£ per m <sup>3</sup>	2.1878	2.0821	2.0969	2.1215	2.0748
500	Nominal	£ per m <sup>3</sup>	1.5192	1.4459	1.4561	1.4732	1.4407

### Case-specific access prices

Access applications will be reviewed on a case-by-case basis. The specific details involved in each application may result in material changes from the indicative prices shown in the table above (e.g. whether or not the water supplied into our network has been treated).
