Accounts for the year to  
30 June 2010

Registered in England and Wales No 3704265

## DIRECTORS' REPORT

The directors present their report and accounts for the year to 30 June 2010

### PRINCIPAL ACTIVITIES

The sole activity of the company is to issue bonds, the proceeds of which are lent to the immediate parent company Wessex Water Services Ltd (WWSL)

The bonds are admitted to the Official List of the UK Listing Authority and to the London Stock Exchange plc

The bond proceeds are lent to WWSL on the same terms as the bonds themselves WWSL guarantees the bonds, hence protecting the company from any risk

Some of the bonds are indexed in relation to March or November inflation because these are the dates that the industry regulator OFWAT uses to set the prices that WWSL can charge, and therefore the bonds provide a hedge for WWSL

WWSL has a 25 year Licence to provide water and waste water services in the South West of England It has a statutory obligation to provide these services and the industry regulator OFWAT has an obligation to ensure that the Licensee can continue to trade, hence there is not considered to be a risk that WWSL as guarantor will default on its obligations

The market and fair values of the bonds are disclosed in note 9
